ALUMALUXE DECORATIVE SCREENS

Custom made Alumaluxe panels and pedestrian gates have never been easier! Simply tell us what size you need and which design you love, then we will custom make your screens utilizing our in house CNC router.

EASY 4 STEP ORDERING

1.
Specify exact width and height of custom Alumaluxe deco screen panel

Widths from 100mm to 1250mm*

Heights from 100mm to 2400mm*

2.
Choose between aluminium composite or solid aluminium panels. Select panel material and finish.

3.
Choose pattern from our huge range of designs

4.
Choose fitting option – Face mount with screws, face mount with mounting pins or void fitting

NOTE: Custom pedestrian gates also follow similar ordering process. See page 109 for more info

ALUMALUXE MATERIAL SELECTION

MATERIAL —
Aluminium composite panels

Durable aluminium surface both sides bonded to a strong, rigid polyethylene core
Bonding process adds strength and rigidity while also reducing weight of complete panel
Panels will not rust or rot – no painting required!
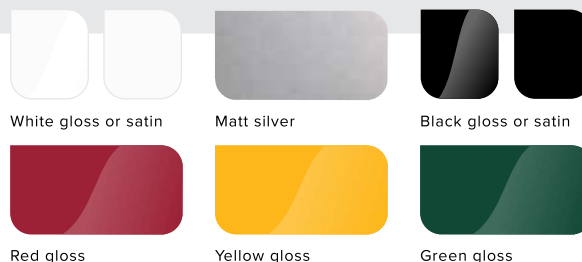

COLOUR & SIZE —
4mm thick panels

Max size: 2400mm x 1250mm
Same colour on front and back

NATURAL WHITE

BRUSHED SILVER

CHARCOAL

COLOUR & SIZE —
3mm thick panels

Max size: 2400mm x 1220mm
Colour on front; gloss white on back*
*Black gloss panels have satin black on back of panel

White gloss or satin

Matt silver

Black gloss or satin

Red gloss

Yellow gloss

Green gloss

Alumaluxe panel orientation

All of our Alumaluxe panel designs can be customised to suit landscape orientations as well as the portrait orientated designs.
*Excludes "Reeds" design (available in horizontal only)
Alumaluxe panel scaling

Some slight changes may need to be made to the design to fit your sizes. The content of the design remains in proportion and is scaled to suit.

Fixing options

Choose between face mount with screws, mounting pins or void fitting with folded edges —

Face mount with screws

Simply screw through face of screen into wall or post. We recommend fixing at approximately 400mm spacings.

*Screws not supplied

Face mount with mounting pins

Pre-drill holes through screen and into wall or post, then affix using mounting pins. We recommend fixing at approximately 400mm spacings (Satin anodised mounting pins available – sold separately.

*Mounting pins sold separately
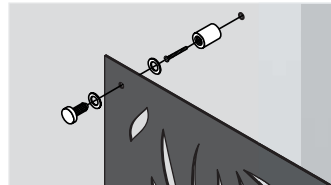

Alumaluxe standoff mounts
Order Code: ADS-SM-2PK

Provides a floating shadow effect
› 2 pack of standoff mounts
› Anodised silver matt finish aluminium
› Includes fixing screws and wall plugs

18mm
6mm
25mm

Void fitting with folded edges

Pre-drill holes through folds and into wall or post, then affix using screws. We recommend fixing at approximately 400mm spacings (Screws not supplied)

Folds may be specified for top and bottom, left and right or all four sides of panel

*Screws not supplied
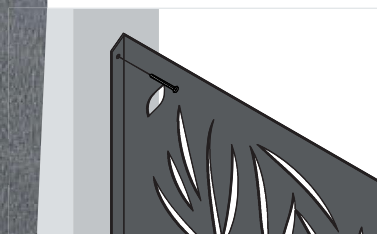

Custom made pedestrian gates

Custom made Alumaluxe gates are supplied fully assembled!
Gates can be ordered for a standalone installation or to complement other Alumaluxe panels —

RUSTFX

GENUINE WEATHERING STEEL

READY MADE & IN STOCK!

Genuine weathering steel
Special steel formulation enables distinctive RustFX surface oxidation finish to form within a couple of weeks outdoors

Fast forming RustFX finish
RustFX finish can be accelerated by initial regular spraying with water mist. Formation of RustFX surface acts as a shield to prevent internal steel corrosion

Quick & easy installation
20mm folds with fixing holes on all sides enable quick and easy installation between pillars or posts. Easy face mount installation also possible using angle brackets (sold separately)

Inspired pattern designs
Unique precision laser cut pattern designs

NATURALLY RUSTING SCREENS
2 DESIGNS AVAILABLE
900MM WIDE x 1800MM HIGH

900

1800

EASY PANEL INSTALLATION

20mm folds on all sides with pre-drilled holes for simple fixing method

! Be mindful of potential oxide staining for surfaces in contact with weathering steel
